Connect with your local tax community

Alongside our National event calendar, we run local events in each State on a regular basis. These regular events offer opportunities to create connections with others working within the tax profession.

Check out your **Local Tax Club**, **Women in Tax** events, discussion groups and other networking events in your community.

Registration

Super early bird

Save \$400 on registration ahead of program launch.

On-demand

All events are available to purchase on-demand post event. On-demand packages give you access to technical resources and recordings to digest in your own time, for 6 months post purchase.

On-demand+

If you can't make our events in-person, on-demand+ gives you full access to event materials, and on-demand recordings approximately 7 days post-event.
